

Presents:

Featuring Colleen Gianatiempo

Announcing the long-awaited return of our annual youth summer camp! Did we have a blast last summer or what?! We're at it again so get ready to explore your creative side as we learn and play with mixed media, altered arts, photography, scrapbooking and more!

New to 2008! Get the best of both worlds.

We are excited to have Colleen on board to teach a great curriculum of fine art skills and design basics. We will dive into the depths of design concepts like never before. Then you will have studio time to finish a fantastic scrapbook project combining the lesson and your photos! Longer sessions too, Monday thru Friday 9:30am to 2:30pm!

Three Great Sessions!

A little about Colleen Gianatiempo

Colleen is an artist, graphic designer, photographer and teacher who is fascinated with the intersection of art and technology. With degrees from the Otis Parsons School of Design in Los Angeles and the the University of Massachusetts at Amherst, Colleen founded Imagination, a creative design company in the East Bay of San Francisco, which offers graphic design and commercial art services, interior design and custom watercolors. An avid watercolorist, Colleen is a long-time student of Julie Cohn, an acclaimed artist based in Berkeley, CA. As a mother of two young children, Colleen's passion is providing instructional art programs to young children. She currently is one of the program directors for the PTA sponsored FAME (Fine Arts Mini Experience) program at Morello Park Elementary School in Martinez, CA, which teaches art and music to K-5th grade.
